

Why Olive Leaf?

Medicinal use of olive leaves dates back to ancient Egypt. Now used throughout the world, a growing body of scientific research points to the health benefits of *Oleuropein*, a powerful antioxidant found within this potent leaf.

The leaves we use in Barlean's Olive Leaf Complex are sourced from the Andalusian region of Spain. These healthy leaves are teeming with *Oleuropein*, as well as a wide range of polyphenols.

Can Help to Support Healthy:

- Immune System* • Cardiovascular System*
 - Blood Pressure in the Normal Range* • Joints*
- NON GMO • Sustainable Source • Kosher
Refrigeration not required.

FRESHNESS DATING
