

Suggested Usage: Take 2 capsules 1 to 2 times daily.

Turkey tail (*Trametes versicolor*) is a mushroom that grows throughout the world and is the subject of recent scientific research. Turkey tail has a wide spectrum of naturally occurring bioactive compounds, including peptide-bound polysaccharides, which are being studied for their immune-supporting properties.* The turkey tail biomass used in this product is organic and non-GMO.

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Natural color variation may occur in this product.

This bottle is made from 100% PCR (post-consumer recycled) resin.
