

Suggested Usage: Take 2 capsules twice daily as needed with food and plenty of water.

NOW® Water Out™ is a blend of complementary herbs and nutrients formulated to support healthy urinary tract function and proper bodily fluid balance.* Water Out™ features dandelion, which has been traditionally used to support the maintenance of water equilibrium, as well as uva ursi and juniper, which have been used historically by herbalists to support a healthy urinary tract.* In combination with the nutritional components vitamin B-6 and potassium, Water Out™ helps support proper urinary tract function.*
