

SUGGESTED USAGE: Take 1 softgel 1 to 3 times daily with food.

CLA Extreme™ combines guarana and green tea extract (GTE) for active people seeking the nutritional support of conjugated linoleic acid (CLA). Guarana supports alertness and, associated with green tea, may enhance daily energy expenditure.* GTE contributes numerous bioactive compounds, including polyphenols and catechins that have been found to help neutralize free radicals.* When used as directed, CLA Extreme™ helps support healthy fat metabolism and energy production, especially when used along with an exercise program and a healthy diet.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Do not use if sensitive to caffeine. Not recommended for pregnant/nursing women. Consult physician if taking medication (especially blood pressure and heart medications) or have a medical condition (especially high blood pressure, glaucoma, and heart conditions). Discontinue use if nervousness, sleeplessness or nausea occur. Keep out of reach of children.

Natural color variation may occur in this product.

Store in a cool, dry, dark place after opening.
