

SUGGESTED USE: As a dietary supplement, take 7 capsules with water first thing in the morning before eating. If stomach upset occurs, take with breakfast instead. Optimal dosage varies based on body weight and sensitivity. Don't take more than 10 capsules at once or more than 12 in a day.

WARNING: Do not take if you're under 18 years old, take an MAO inhibitor, SSRI, or any other psychiatric medicines, are pregnant or nursing, sensitive to caffeine, or if you have Phenylketonuria. Do not take with recreational drugs or alcohol. If you have any other conditions please review our full medical disclaimer on our website and consult with a physician before taking. If any uncomfortable symptoms occur, discontinue immediately.
