SUGGESTED USE: Take up to 7 capsules with water first thing in the morning before eating. If preferred, Qualia Mind can be taken later in the morning with food or a snack.

Qualia Mind is designed to be taken 5 days on and 2 days off each week. It does not matter if the "off-cycle" days are consecutive or apart, so long as they happen each week.

WARNING: Do not take if you're under 18 years old, take an MAO inhibitor, SSRI, or any other psychiatric medicines, are pregnant or nursing, sensitive to caffeine, or if you have Phenylketonuria. (contains phenylalanine) If you have any other conditions please review our full medical disclaimer. on our website and consult with a physician before taking. If any uncomfortable symptoms occur, discontinue immediately.

For California Residents
