

Suggested Usage: Take 1 capsule daily with a meal. Do not take this product on an empty stomach; do not exceed recommended dose.

One capsule of NOW® Green Tea Extract with 200 mg EGCg possesses the phytonutrient content equal to about 2-3 cups of green tea. Green tea's bioactive compounds include polyphenols and catechins, which are known to exhibit potent free radical neutralizing properties.* Its most abundant catechin, EGCg has been scientifically demonstrated to assist in maintaining healthy tissues in the face of normal metabolic stress and to support proper cell cycle regulation.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Take with food. Consult physician if pregnant/nursing, taking medication, or have a medical condition including liver impairment. Keep out of reach of children.
