

Suggested Usage: Take 1 capsule daily, preferably with a meal.

Policosanol is a blend of long-chain fatty alcohols (LCFAs) derived from plant waxes that is comprised primarily of naturally occurring octacosanol. This formula also includes plant sterols (from pine) and hawthorn berry for cardiovascular support.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication (especially antiplatelet, anticoagulant drugs, aspirin, or NSAIDs), or have a medical condition. Keep out of reach of children.

Natural color variation may occur in this product.

Store in a cool, dry place after opening.

This bottle is made from 100% PCR (post-consumer recycled) resin.
