

Suggested Usage: Take 1 softgel daily.

Milk thistle has been used by traditional herbalists for centuries. Clinical and non-clinical studies have indicated that milk thistle extract may help maintain healthy liver function through its ability to promote glutathione production, as well as by supporting the body's normal detoxification processes.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Natural color variation may occur in this product.

NOW® Extra Strength Silymarin has three times the milk thistle extract (450 mg per softgel) as in our regular strength product (150 mg per capsule).

This bottle is made from 100% PCR (post-consumer recycled) resin.
