

Suggested Usage: Take 1 capsule
1 to 2 times daily, preferably with food.

Feverfew is an herb that has been
traditionally used by European
herbalists for centuries. More modern
research indicates that its main
bioactive compound is parthenolide.
NOW® Feverfew is standardized to
0.5% - 0.7% parthenolide per capsule.

Caution: For adults only. Not recommended
for pregnant/nursing women. May trigger
mild transient oral or GI discomfort.
Consult physician if taking medication or
have a medical condition. Keep out of reach
of children.

Natural color variation may occur
in this product.
