

Suggested Usage: Take 1 tablet 1 to 2 times daily with food.

NOW® GTF Chromium is a biologically active form of chromium known as chromium nicotinate glycinate.* This form is also known as "Glucose Tolerance Factor" (GTF) because it is most similar to the form that was originally isolated from a food source.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication (especially those that could affect glucose levels), or have a medical condition (especially blood sugar control disorders). Keep out of reach of children.

Diabetics: Use only under a physician's supervision.

Natural color variation may occur in this product.

Store in a cool, dry place after opening.
