

Suggested Usage: Take 2 softgels daily with food. NOW® Krill & CoQ10 Softgels combine two of the most prominent and effective nutrients for cardiovascular health in one convenient supplement.* CoQ10 is a vitamin-like compound that's clinically demonstrated its ability to support heart health through its effects on cellular energy production.* Krill oil has naturally occurring omega-3 essential fatty acids, which are well-known for their vital role in cardiovascular health.* Together these two nutrients form a powerful combination supplement for the support of normal, healthy, cardiovascular functions.*

This krill oil is manufactured under strict quality control standards. It is tested to be free of potentially harmful levels of contaminants such as PCBs, dioxins, mercury and other heavy metals.
