

Suggested Usage: Shake well before using.
Take 1 tablespoon (15 mL) 1 to 2 times daily.
Can be taken directly or mixed with water or juice.

REFRIGERATE AFTER OPENING.

Hyaluronic acid is a compound present in every tissue of the body, with the highest concentrations found in connective tissues such as skin and cartilage.* As a constituent of joint fluid, hyaluronic acid serves as a lubricant and plays a role in resisting compressive forces.* Our formula combines this critical joint component with vitamin D and other important nutrients for the support of optimal joint health.*
