

SUGGESTED USAGE: As a dietary supplement, take 2 capsules 1 to 2 times daily, preferably with food, or as directed by your healthcare practitioner.

HOW IT WORKS: Red Yeast Rice (RYR) is a natural product that has been used by Asian traditional herbalists for centuries and is produced by fermenting Red Yeast (*Monascus purpureus*) with rice. It is commonly used in cooking to enhance the color and flavor of foods. Red Yeast Rice Plus includes *Alpha*-Lipoic Acid and CoQ₁₀ for free radical protection, as well as Silymarin to support healthy liver function.* CoQ₁₀ is also known for its cardiovascular supporting properties.* This product is carefully produced to avoid the presence of citrinin, an unwanted by-product of RYR fermentation process.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

WARNING: Do not use if you are pregnant, may become pregnant, or are breast feeding, because using this product may harm the fetus. For adults only. Consult physician if taking medication (especially statins) or have a medical condition, including a history of statin-intolerance or liver disease. Keep out of reach of children. If muscle complaints occur, discontinue use and consult a physician.
