

**Suggested Usage:** Take 1 capsule 1 to 3 times daily as needed, preferably between meals.

L-Phenylalanine is an essential amino acid that is necessary for the synthesis of proteins.\* Because L-Phenylalanine can be readily converted into the amino acid tyrosine, which forms part of the structure of the neurotransmitters dopamine and norepinephrine, it is important for the maintenance of a healthy nervous system.\*

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

**Caution:** For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition [e.g. high blood pressure or phenylketonuria (PKU)]. Keep out of reach of children.

Natural color variation may occur in this product.
