120 TABLETS

A Dietary Supplement

**SUGGESTED USAGE:** Take 1 tablet 1 to 2 times daily between meals.

Citrulline is a non-essential amino acid that is an important intermediate in the urea cycle, functioning along with other amino acids to rid the body of ammonia, a by-product of protein metabolism.\* Citrulline also plays an important role in the healing process and in the maintenance of a healthy immune system.\*

**\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

**Caution:** For adults only. Consult physician if pregnant/nursing, taking medication (especially blood pressure medications and nitrates or other vasodilating drugs), or have a medical condition (especially abnormal blood pressure). Keep out of reach of children.

Natural color variation may occur in this product.

Code 0116N v4
