

**SUGGESTED USAGE:** Shake well before using. Take 1 tablespoon daily, preferably on an empty stomach.

NOW® L-Carnitine Liquid has all of the properties of carnitine in a highly absorbable liquid form. Carnitine is a non-essential amino acid that helps to maintain overall good health by facilitating the transfer of fatty acid groups into the mitochondrial membrane for cellular energy production.\* It naturally occurs in red meat and other animal-source foods, but we recommend supplementation to obtain optimal levels of this excellent amino acid. NOW® L-Carnitine is the purest form, clinically tested, and vegetarian (non-animal sourced).

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

**Caution:** For adults only. Consult physician if pregnant/nursing, taking medication (especially thyroid hormones or anticoagulant medications), or have a medical condition, including thyroid disease. Keep out of reach of children.

Natural color variation may occur in this product.
