

SUGGESTED USAGE: Add 1 level scoop daily to 12 oz. of cold water, juice, or your favorite beverage. Stir or blend.

Peas are well known for being a source of highly bioavailable protein. Additionally, peas are not considered one of the major dietary allergens. Collectively, this makes pea protein an ideal source of post-workout nutrition for athletes who may have difficulty supplementing with other types of protein. NOW® Sports Pea Protein is a non-GMO vegetable protein isolate that has 24 grams of easily-digested protein. Each 1 scoop serving typically has over 4,200 mg of branched-chain amino acids, and over 2,000 mg of arginine. NOW® Sports Pea Protein is pure and natural, unflavored, and mixes easily into your favorite beverages.

Not manufactured with wheat, gluten, soy, corn, milk, egg, fish, shellfish, tree nut or sesame ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

NOTICE: Use this product as a food supplement only. Do not use for weight reduction.

Natural color variation may occur in this product.

This product is sold by weight not volume.

Store in a cool, dry, dark place after opening.
