

SUGGESTED USAGE: Add 1 level tablespoon daily to 4-6 oz. of cold water, juice, or your favorite beverage. Stir or blend.

Protein is vital to hundreds of the body's most basic biological functions. Unfortunately, many individuals cannot tolerate some of the natural compounds found in whey, egg, soy and other protein sources due to their unique food allergies. NOW® Sports Sprouted Brown Rice Protein Powder is ideal for those who live with allergies and sensitivities to these ingredients. This brown rice protein is also natural and pure, with no added ingredients, and mixes easily into your favorite beverages.

NOTICE: Use this product as a food supplement only. Do not use for weight reduction.

Natural color variation may occur in this product.

This product is sold by weight not volume.

Store in a cool, dry, dark place after opening.
