

POTENCY: Our elderberry extract is made using an exclusive drying process utilizing infrared, low temperature drying technology. Contains high, standardized levels of polyphenols with anthocyanins to support immune health. It is a solvent-free concentrate which contains all the elderberry components and is not an extract which contains limited elderberry actives.[†]

RECOMMENDATIONS: As a dietary supplement, take one (1) capsule daily with a meal or as recommended by your healthcare practitioner.

CAUTION: Pregnant or nursing mothers, children under the age of 18 and individuals with a serious medical condition should consult with your health care professional before using this product or any dietary supplement. Do not use if the band around the cap is broken or missing.

STORE IN A COOL, DRY PLACE
KEEP OUT OF THE REACH OF CHILDREN
