Advanced Blood Pressure Support¹

superbeets[®] heart chews advanced features non-GMO beetroot plus clinically researched grape seed extract to support normal blood pressure, heart-healthy energy without caffeine or stimulants, and healthy circulation and blood flow³. Clinically researched grape seed extract has been shown to support healthy blood pressure nearly 2X more effective than diet and exercise alone.² CoQ10 is added to help support cellular energy production and vascular health.³ Plant-based, no synthetic colors, and no artificial sweeteners.

Also helps:

- Support heart health³ • Increase Nitric Oxide production³ • Reduce oxidative stress and damage³
- Statin users: certain statins can reduce CoQ10 levels in the body. superbeets[®] heart chews advanced can help replenish this important nutrient⁴

Supplement Facts

Serving Size 2 chews
Serving Per Bag 30

¹According to IQVIA ProVoice Survey 2023.

²In a 16-week, double-blind, placebo-controlled study involving 119 healthy men and women, Heart Chews' polyphenol compound, taken as part of a healthy lifestyle was clinically shown nearly 2-times as effective at promoting normal blood pressure already in the normal range as a healthy lifestyle alone.

³CoQ10 is not intended to serve as a replacement for statin therapy.
