DIRECTIONS: On training days, mix two (2) scoops in 12-16 oz. of water or a carbohydrate based post-workout beverage within 30 minutes of your workout. On non-training days, use one (1) scoop 1-3 times daily, in between or in addition to meals as a dietary supplement.

CONTAINS NO: rBGH, rBST[†], Gluten.

† The FDA has determined that no significant compositional difference has been shown in milk from cows treated with rBGH or rBST.

We believe that Amazing Nutrition® is the key for Healthy Living. We are passionate about bringing you the finest selection of products which can perfectly complement a healthy diet and active lifestyle.

Amazing Formulas™ Grass-Fed Whey Protein is a rich source of essential amino acids, which are the building blocks of protein and important for those with an active lifestyle.* Protein is a vital nutrient and responsible for building and repairing cells, muscles, and producing energy for the body.* The body requires higher amounts of protein during and after exercise to fuel the muscles.*

Taking Whey Protein supplements before and after intense workouts may help athletic peak performance, reduce the feeling of fatigue on the body, and promote faster workout recovery time.*
