We believe that Amazing Nutrition™ is the key for Healthy Living. We are passionate about bringing you the finest selection of products which can perfectly complement a healthy diet and active lifestyle.

L-Tyrosine is a non-essential amino acid, which are the building blocks of protein. L-Tyrosine supports healthy brain function and mental alertness as it is used in the production of neurotransmitters dopamine and norepinephrine.\* L-Tyrosine supports healthy glandular function, stress response, helps to fortify the immune system and provides nourishment and strength to other organs of the body because it acts as a cortisol regulator\*. L-Tyrosine is also necessary for the synthesis of thyroid hormone and epinephrine (adrenaline).\*
