*We believe that Amazing Nutrition® is the key for Healthy Living. We are passionate about bringing you the finest selection of products which can perfectly complement a healthy diet and active lifestyle.*

Amazing Formulas™ Mega Strength Glucosamine Sulfate is an amino sugar that is naturally found in the fluids surrounding joints in the human body. It is also found in the chitin of shellfish. Glucosamine Sulfate supports healthy joint function and mobility by helping to improve the body's production of cartilage (substance that provides a cushion between the bones of a joint).\*
