Amazing Formulas™ Tart Cherry supplement provides 7,000 mg (7 g) of tart cherry in each capsule, derived from a premium quality 10:1 extract. Tart Cherries contain important phytonutrients called anthocyanins, which is responsible for the deep red color of the fruits. Anthocyanins are a type of antioxidant which encourages healthy blood circulation and nerve function.* Antioxidants have a wide array of health benefits, including neutralizing free radical damage, supporting mobility of joints and connective tissues and promoting healthy aging.* Tart Cherry helps to prevent inflammation, which promotes balanced uric acid levels.*
