

ELITE ATHLETIC PERFORMANCE

Still Mdrive. Just more powerful.

Mdrive Elite is about performance. It contains the same trusted premium compounded formula as the original Mdrive. It still naturally increases healthy free testosterone levels.* And it can still help you increase your strength, stamina and sex drive.* But Mdrive Elite now also features a breakthrough caffeine-free blend of amazing extracts to help improve your athletic performance.*

When taken daily, this Mdrive can also improve sustained energy, muscle strength, muscle recovery and focus, with no stimulants.* We're calling it an Energizing Testosterone Booster and it's the first of its kind.*

Don't let your age beat you.
Mdrive, refine your prime.

Herbal Extracts • Drug Free • Gluten Free

5 clinically tested ingredients. At the clinical levels.

KSM-66®

Sports Performance*

1. **KSM-66** improves sustained energy, physical performance and sexual health, while reducing stress.*

TESTOFEN®

Increase Testosterone*

2. **Testofen**'s clinical results confirmed a boost in free testosterone levels in men, with resistance training.*

L-OptiZinc®

Antioxidant Support*

3. **L-OptiZinc** is an essential trace mineral required for numerous vital cell functions, including the brain's.*

Selenium Select™

Immune Support*

4. **Selenium Select** is important for supporting the body's cellular health, immune health and muscle function.*

Chromax®

Lean Body Mass*

5. **Chromax** helps reduce body fat and preserve lean body mass.*

Why Mdrive Elite?

Because I still love competing. And I'm not about to let age slow me down.

Mdrive Elite is about re-energizing our bodies and athletic potential.

We've included the original Mdrive blend, but added some amazing new extracts. Basically, it's an Energizing Testosterone Booster.* Elite is still the premium compounded formula you trust, just better. And we're proud to call it Mdrive.

Refine your prime with Mdrive.

Sincerely,

Gary Kehoe
