

YOUR GUT BACTERIA'S PERFECT MEAL

Body Ecology® EcoBloom™ has been reformulated to support immunity, digestion, elimination and a healthier gut barrier lining.*

BeniCaros® is an award-winning, bioactive fiber that trains the immune system to respond faster and accelerates mobilization of critical immune cells.* Also with Sunfiber® and Acacia, EcoBloom™ promotes the production of short chain fatty acids and helps improve elimination.* Safe for SIBO and SIFO.*

Suggested Use: Mix 1 scoop to smoothies, soups, sauces, dressings, baked goods, healthy desserts, etc. If you're not accustomed to eating much fiber, start slowly with 1 scoop daily and gradually increase your intake, per your healthcare professional's guidance. Consume with plenty of water.
