

THE **BODYLOGIX®**

CREATINE ADVANTAGE

Our Micronized Creatine is made without any colors, flavors or sweeteners for stacking versatility. It is gluten-free, non-GMO, and peanut free.

To ensure the highest quality, our production facility is GMP registered and our products are certified by NSF, a world leader in third-party testing.

With clinically studied ingredients, our Micronized Creatine delivers performance-driven nutrition to increase lean muscle with resistance training.*

NO COLORS
