

DIRECTIONS: As a dietary supplement, add one scoop (10 g) to 8 fl oz of water, juice or sports drink and mix or shake until smooth. Mixes instantly without the use of a blender. For best results, take on an empty stomach about 15 to 30 minutes prior to workout.

BLUEBONNET'S PRE WORKOUT POWDER

Is designed to be a comprehensive muscle recharging formula that helps to generate high energy, sharpen mental focus, and increase nitric oxide (NO) levels for greater blood flow and intense muscle pumps. Use it once, and you will never train without it again! ♦

Free of milk, egg, fish, crustacean shellfish, tree nuts, peanuts, wheat, soybeans and sesame.

Also free of barley and rice.

Minerals are shown in their elemental value.

Caution: Strictly designed for use by healthy adults – 18 years of age or older. This product contains 125 mg of caffeine per serving (equivalent to 1 ¼ cups of coffee), which in excess may cause nervousness, irritability, sleeplessness and occasionally, a rapid heartbeat. Discontinue use and consult a healthcare practitioner if you

experience any unusual symptoms. Do not use this product if you are sensitive to caffeine, pregnant, trying to conceive, breastfeeding, have any medical conditions or are taking any prescription medications. Keep out of reach of children.
