DIRECTIONS: As a dietary supplement, add one scoop (3.5 g) to 6 to 8 fl oz of water, juice or sports drink and mix or shake until smooth. Mixes instantly without the use of a blender.

BLUEBONNET'S NITRO POWDER

Is designed to be an effective nitric oxide boosting product since it features clinically studied Nitrosigine,® a patented complex of bonded arginine silicate stabilized with inositol, that has been scientifically engineered to significantly boost nitric oxide (NO) levels. NO is a key factor in promoting the relaxation of smooth muscle in blood vessels, thus increasing blood flow to the heart and working muscles. Optimal blood flow allows you to sustain a high level of training intensity taking your workouts to a whole new level! Use it once, and you will never train without it again! •
