Based on the clinically tested NITRO-Tech formula, the NITRO-Tech RTD is the most concentrated source of ready-to-drink whey protein. Deliciously refreshing, the NITRO-Tech RTD is 100% fat free and contains no carbohydrates or sugars! The NITRO-Tech RTD provides 40 grams of the highest quality protein to support muscle growth, strength, and fat loss as part of your exercise program.*

Million-Dollar Research Budget: A portion of every dollar spent on MuscleTech supplements is allocated towards the funding of university research in an effort to discover new and more effective ways to increase lean muscle mass and strength, reduce bodyfat, and improve athletic performance.
