OTHER INGREDIENTS: Citric Acid, Malic Acid, Silicon Dioxide, M&A Flavor, Sucralose, Acesulfame Potassium

DIRECTIONS: As a dietary supplement, mix 1 serving (1 scoop) of APEX BURN in 8-10oz water and consume at least 30 minutes prior to a meal. Alternatively, users may consume 1 serving (1/2 scoop) upon rising and the additional 1/2 serving (1/2 scoop) 6-8 hours later. Do not take within 4 hours of bedtime or combine with other products that contain caffeine.

WARNING: This product is intended for healthy adults, 18 years of age or older. Consult a physician prior to using this, or any other dietary supplement. Do not take this product if you are pregnant or nursing, if you have or suspect you may have a medical condition, or if you are taking any prescription or over-the-counter medications. Do not exceed recommended serving. Exceeding recommended serving may cause adverse health effects. This product contains 225mg of caffeine per 1 scoop serving, the equivalent of approximately 2 cups of coffee and may not be suitable for individuals who are sensitive to the effects of caffeine. Too much caffeine may cause nervousness, irritability, sleeplessness, and occasional rapid heartbeat. Discontinue use 2 weeks prior to surgery. Immediately discontinue use and consult a qualified medical professional if you experience any adverse effects. **KEEP OUT OF REACH OF CHILDREN.**
