

SCOOP MAY BE BURIED WITHIN POWDER, PLEASE DIG AROUND FOR IT. Creatine is a molecule produced in the body from amino acids. It can be found in many animal-based foods such as meat and fish. Double Wood's creatine is micronized and unflavored.*

Suggested Use: As a dietary supplement take 1 serving per day, with or without food.

Storage: After opening, store in a cool, dark place. Do not freeze or expose to moisture or heat above room temperature.

WARNING: Consult your physician before use. Do not use Creatine if you are pregnant, nursing, or under 18 years of age. Discontinue use and consult your doctor immediately if any adverse reactions occur. Do not use Creatine and operate heavy machinery until you know how it affects you. Keep out of reach of children.
