

Serrapeptase is a proteolytic enzyme native to the digestive tract of silkworms. Many individuals take it for nasal and respiratory health and some evidence suggests it may help thin mucus.

Suggested Use: As a dietary supplement, take 1 serving per day. (2 capsules) For best results take 30 minutes before a meal or 2 hours after a meal.

Storage: Store in a cool, dark place. Do not freeze or expose to moisture or heat above room temperature.
