

Product Info: Sulforaphane is a powerful phytochemical (compounds produced by plants) found in many green vegetables such as broccoli. Sulforaphane found in plants is inactive but is activated when the plants are cut, chewed, or processed into supplements.*

Suggested Use: As a dietary supplement take 1 serving per day, with or without food.

Storage: Store in a cool, dark place. Do not freeze or expose to moisture or heat above room temperature.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
