

Helps promote muscle function*

Provide your body with essential nutrients to help increase performance and promote faster recovery!* NutriBiotic® Essential Electrolytes help promote electrical impulse function when taken prior to light athletic activities and help rehydrate after these activities.* Electrolytes are also vital in supporting your body to adapt and thrive with the ketogenic lifestyle.*

Suggested Use: For electrolyte response, adults, take 1-2 capsules before and after performing any light activity.

Important: Always maintain adequate fluid intake during any activity.
