

# Highly Soluble

NutriBiotic® Lemon Electro-C is an effervescent, vitamin C and electrolyte powder delivering 100% pharmaceutical grade vitamin C (L-ascorbic acid) and highly bioavailable electrolytes (calcium, magnesium, chloride, potassium, sodium, and zinc) in a readily soluble form.\*

Vitamin C and electrolytes are essential nutrients to the body's health. Vitamin C provides antioxidant protection to the immune system as well as maintains the health of blood vessels, tissue, cartilage, bones, eyes, and other organ systems.\* Vitamin C is also required for the biosynthesis of collagen, L-carnitine, and neurotransmitters.\* Electrolytes help rehydrate the body by replenishing lost (through sweating) and utilized (through use) electrolytes when taken after physical activities.\*

Electro-C is a fresh and tart, sparkling, non-caloric, vitamin C and electrolyte powder providing 850 mg of vitamin C per serving as well as an array of electrolytes. Lemon Electro-C has a delightful, natural lemon flavor.

**Suggested Use:** As a dietary supplement, mix 1/4 teaspoon into a glass of juice or water. Take with or without meals.
