

Rapid Dissolving

NutriBiotic® Vitamin C 1000 mg Tablets deliver 100% pharmaceutical grade vitamin C (L-ascorbic acid). Vitamin C, an essential nutrient to the body, provides antioxidant protection to the immune system, as well as maintains the health of blood vessels, tissue, cartilage, bones, eyes, and other organ systems.* Vitamin C is also required for the biosynthesis of collagen, L-carnitine, and neurotransmitters.* The combined positive effects of vitamin C make it vital to the body's overall health.

These tablets provide vitamin C in a pure, pre-measured form. This potent, water-soluble nutrient is tableted to be convenient, easy-to-swallow, and rapidly dissolving. Tablets may be crushed and put into food or beverages if desired.

Suggested Use: As a dietary supplement, take one tablet daily with or without meals.
