

Power Fiber™ is a sugar-free, low calorie, naturally-sourced fiber product from digestion-resistant Maltodextrin.

Power Fiber™ is different from other fiber products: no grit, no lumps, no flavor. It dissolves clearly in any cold or hot drink. It won't change the texture, taste or color of your favorite soft food or beverage. Add **Power Fiber™** to water, coffee, soda, yogurt, applesauce, oatmeal, pudding, mashed potatoes, juice and even sauces and soups. The possibilities are endless!

Power Fiber™ is a good source of fiber and supports proper bowel function and healthy intestinal microflora.*
