

Black Cohosh is among the world's most popular herbs for women. This native American herb has been used for centuries for supporting women's health and has now been scientifically researched for its beneficial effects during menopause. It has found widespread use and official recognition in European countries and is now becoming the worldwide herb of choice for women seeking a natural approach to mid-life changes. This assured potency formulation uses concentrated Black Cohosh Extract, standardized to the same important constituents as those used in clinical trials. Our extract contains 2.5% total Triterpene glycosides, assayed by HPLC (as 27-Deoxyactein).

CAUTION: If you are pregnant or nursing, consult your physician before taking this product.

TAMPER EVIDENT: Do not use this product if imprinted foil seal under cap is broken or missing. Keep tightly closed. Store at room temperature: 59°-86° F (15° to 30°C).

KEEP OUT OF REACH OF CHILDREN. Mfg. in an FDA Registered Facility using Good Manufacturing Practices (GMPs). Conforms to USP <2091> for weight. Meets USP <2040> disintegration for maximum bioavailability. Rev. #02
