

Directions: Take one capsule daily, preferably on an empty stomach, or as directed by your health care professional.

DLPA (DL-Phenylalanine) is an amino acid that can help with the production of certain neurotransmitters in the brain that regulate mood, pain signaling, positivity, focus, and motivation.†

Store in a cool, dry place, away from direct light. Keep out of reach of children. Do not use if safety seal under cap is broken or missing.

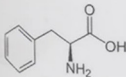

†These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

We at Viva are proud to use only the best food-based ingredients in our supplements. Our raw materials come from the USA, and we use only organic sources to ensure you're getting the best product possible, from the ground up!
