

Alkalinity CLA contains Conjugated Linoleic Acid, an essential fatty acid that works to block certain enzymes that let fat cells swell. This process helps control our bodies weight which in turn increases lean muscle mass. **Alkalinity CLA** flushes your body with antioxidants to promote a stronger immune system. This product contains L-Carnitine, an amino acid that limits the formations of new body fat and also includes Pyruvate, a supplement that stimulates energy for higher performance in exercise. **Alkalinity CLA** is delivered in a liquid solution for immediate and maximum absorption. This is truly a remarkable supplement for anyone looking to increase health and body composition.

Suggested Use: Take 2 soft gels 1-3 times daily, preferably with whole food meals.

ADD TO THIS IF SO DESIRED.

Double sealed for your protection. Do not use if inner or outer seal is damaged or missing. To preserve quality and freshness keep bottle tightly closed, & store in a cool, dry place.
