Directions: As a dietary supplement, take two capsules once daily or as directed by a healthcare practitioner.

Bluebonnet's Targeted Choice® Thyroid Boost Vegetable Capsules are specially formulated with unique, sustainably harvested or wildcrafted botanical extracts, free-form L-tyrosine, as well as iodine from a proprietary blend of glandular powder, potassium iodide and brown seaweeds (i.e., kelp and bladderwrack). Freeze-dried, thyroxine- and BSE/TSE-free glandular powder sourced from pasture-fed cows not treated with hormones or antibiotics was integrated to help maintain healthy thyroid hormone levels that are already within the normal range.♦

Targeted Choice® is a registered trademark of Bluebonnet Nutrition Corp.

InSea²® is a proprietary blend of brown seaweeds (kelp and bladderwrack) and is a registered trademark of InnoVactiv™.

Free of milk, egg, fish, crustacean shellfish, tree nuts, peanuts, wheat and soybeans.

Also free of yeast, gluten, barley, rice, sodium and sugar.

WARNING: Do not use this product if you are pregnant, trying to conceive or breastfeeding. If you have a medical condition or are taking prescription medication, particularly those to treat thyroid conditions, consult your physician before use. Keep out of reach of children.
