

TruBiotics® Baby Soothing Probiotic Drops supports your baby's digestive and immune health* by increasing beneficial bifidobacteria important to establish a healthy microbiome. When taken daily, our drops are shown to:

- improve daily sleep duration*
- reduce crying and fussing*
- soothe occasional digestive upsets*
- support regularity*
- reduce instances of loose stools*
- promote optimal immune health*

Give your baby all the benefits of the most documented bifidobacterium in the world with TruBiotics® Baby Soothing Probiotic Drops!

DIGESTIVE + IMMUNE HEALTH* SOOTHING PROBIOTIC DROPS

Naturally Helps To:

- Improve daily sleep duration*
- Reduce crying & fussing*
- Soothe digestive upsets*

0+ Months

0.27 FL. OZ. (8mL) / 28 SERVINGS

Directions for Use:
Provide one serving daily. Shake vigorously for 10 seconds before each use to ensure contents are well mixed as product settling occurs naturally. Fill dropper to solid line and dispense directly into baby's mouth or bottle.
