

- **Rich Golden Color**
- **Gently processed without chemicals**
- **Higher quality, fresh water source**
- **Alkaline pH of 7.8 to 9.0**

Fulvic is one of the most biologically active substances available and assists with every metabolic function in the body; supporting the body's natural defenses, brain function, immune system, and energy.*

Fulvic supercharges cells by providing the electrical charge cells need for fundamental interactions and reactions with other substances; it fuels, supports, and facilitates every normal biochemical process in the body.*

Fulvic passes right through cell membranes with ease, carrying many times its own weight in nutrients with it, providing the fuel cells need for normal vital health.*

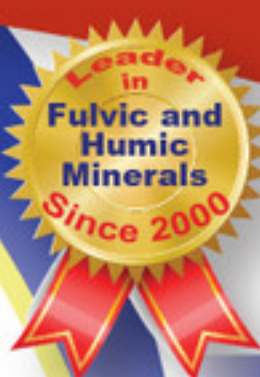

When fulvic is present, you are assured of maximum absorption and interactions of vitamins, phytonutrients, enzymes, amino acids, and minerals.*

Another indispensable key to Fulvic is its ability to destroy damaging free radicals, blocking oxidation, and assisting the normal removal and detoxification of harmful compounds in the tissues.*

Because Fulvic Minerals is 100% fulvic in solution, you're getting a concentrated source of this essential bioactive element.*

The source of our fulvic comes from fresh water humate, which has a very small molecule size, making it more absorbable than salt water mineral extracts.*

Our proprietary process protects the integrity of the fulvic, safeguarding its incredible benefits from the damaging effects of harsh chemical processing. We isolate the fulvic from Humate plant matter with a gentle proprietary filtering process and this is what we bottle in it's purest form, just like nature intended.*

Vital Earth
MINERALS™

Fulvic Minerals

Fulvic is one of the most powerful supplements for maintaining the body's metabolic and healing functions

- Supports natural energy production*
- Alkalizing minerals to sustain proper body pH*
- Encourages healthy normal immune function*
- Supports balanced hormone function*
- Mental clarity, alertness, concentration*
- Facilitates normal enzyme production*
- Encourages natural removal of dietary toxins*
- Whole food plant based ionic source*
- 100% Fulvic in solution and nothing else!

No added sugar, soy, dairy, yeast, gluten, artificial coloring, flavoring, or GMO's. Gently processed without heat, pressure extrusion, or chemicals of any kind.

Naturally mild tasting No flavoring necessary

Ionic Mineral Dietary Supplement

Directions: Adults: 1 fluid ounce. 1-3 times daily as needed. (The bottle cap is a one ounce measure). Take with food for best absorption. Drink undiluted or add to non-chlorinated water, juice, or other Vital-Earth products.

If health challenge exists, introduce at 1/4 dosage to allow the body to adjust slowly. Build up slowly to full dosage.

Shake well - natural settling may occur

Refrigeration is not essential, but is beneficial to protect the naturally occurring trace enzymes.

EXPIRATION DATE: Since our products do not spoil like a food item, we list the manufacture date to show freshness, instead of an expiration date. See manufacture date below.

Supplement Facts

Serving Size: 1 fl.oz. (30 ml)
Servings Per Container 32

	Amount Per Serving	% Daily Value*
Fulvic Acid (from vegetal bio-mass humate/lignite)	180 mg.	+

+ Daily Value not established

Other Ingredients: Purified Reverse Osmosis De-Ionized Carbon Filtered Water

100% Fulvic in Solution: Unformulated and in the ratios naturally presented within the original humate / lignite source
