www.VitalEarthMinerals.com

Directions: Adults: 3 droppers full (approx. 30 drops) as needed throughout the day. (Dropper bulb pulls 1 ml, which is 10 drops). Drink undiluted or add to non-chlorinated water. Refrigeration is recommended, but not essential. Since our products do not spoil like a food item, we list the Manufacture Date, to show freshness, instead of an Expiration Date. See date below.

Precautions: Use only as directed. If you are pregnant, nursing or have a serious medical condition, consult a health professional before use. Keep out of reach of children.

Label Rev. 2 June 2020
