Heaven Drops Wild Ginseng is the ultimate Ginseng product in the world. It is an extraction of the finest, most precious Ginseng roots available, hand selected by Master Herbalist Ron Teegarden. It is an extremely potent extraction of the ultimate wild Ginseng roots available from China and America, the two premier sources of Ginseng in the world. This product features very old Changbai Mountain and Catskill Mountain roots, including roots that are over 60 years old, valued as the finest and most beneficial Ginseng in the world. All roots are at least 15 years old when collected in the wild. This very limited production run will please the most experienced and demanding Ginseng connoisseur. It is a supreme adaptogenic Qi and Shen tonic of the highest order.
