

FULL CYCLE PERFORMANCE

NO2 BLACK FULL CYCLE™ - A new chapter in the legend of NO2® begins.

From its very inception, NO2 BLACK revolutionized performance supplementation. Now, after years of dedicated service, the classic NO2 BLACK formula-tion has been fully upgraded. This is everything you expect from NO2 BLACK...and more - much more!*

FULL CYCLE NITRIC OXIDE OPTIMIZATION

NO2 BLACK FULL CYCLE drives NO optimization on four powerful fronts: feeding, fueling, protecting and generating muscle. Here is how it works: First, the L-Arginine precursor, L-Citrulline, effectively "feeds" more L-Arginine into the NO - production matrix. Second, premium sources of L-Arginine provide the "high-octane" base that fuels NO conversion. Third, L-Norvaline helps combat the Arginine-converting enzymes to help support greater reserves of NO fuel. Fourth, the NO generating NOS "factories" are upregulated on two fronts, yielding up to 1250% more nitric oxide.**

THE QUAD CYCLE OF TRAINING PERFORMANCE

The name says it all; **NO2 BLACK FULL CYCLE™** - the power of the NO2 BLACK legacy formula, "super charged" to impact the full, quad cycle of training performance.*

- 1 Before a workout even begins, muscles are primed for performance by nitric oxide induced, nutrient-surging blood flow fueled by NOS upregulators and NO precursors.*
- 2 As the high-intensity phase engages, key nutrients help delay muscle fatigue, amplify workout capacity and sustain peak power.*
- 3 Then, L-Carnitine and Grape Seed Extract help drive skeletal muscle bioenergetics by promoting efficient fat-to-fuel conversion and oxygen utilization.*
- 4 Before the workout comes to a close, protein synthesis has already engaged - preparing muscles for optimal post-workout recovery and growth.*

WARNING: Consult your healthcare professional prior to use if you have or suspect a medical condition, including high blood pressure and a history of cold sores, are taking prescription drugs, or have allergies to arginine or corn. Do not use if you are pregnant or lactating. Not intended for use by individuals under the age of 18 years. Do not exceed the recommended intake.

WARNING FOR CALIFORNIA RESIDENTS ONLY: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. Prop 65 is known as the formally titled "The Safe Drinking Water and Toxic Enforcement Act of 1986". For additional information regarding this Proposition please log onto oehha.ca.gov/prop65/p65faq.html or to mri-performance.com

DIETARY SUPPLEMENT **150 CAPLETS**

Directions: Take 3 caplets 30 minutes before breakfast on an empty stomach. For maximum results, take 2 more caplets mid-afternoon or before your workout.

SUPPLEMENT FACTS

Serving Size: 3 caplets

Servings Per Container: 50

	AMOUNT PER SERVING	% DV†
Vitamin C (as Ascorbic Acid)	180 mg	300%
Vitamin D ₃ (as Cholecalciferol)	800 IU	200%

Layer One, HemoCycle 2147.5 mg **

Proprietary Blend (Brown)

L-Arginine, L-Arginine Alpha-Ketoglutarate, Citrulline Malate, N-Acetyl-L-Carnitine Hydrochloride, Grape Seed Extract (*Vitis vinifera* L.), Grape Skin Extract (*Vitis vinifera* L.), L-Norvaline, ActiNOS™ CFM Nitro® P[§]

Layer Two, HemoCycle 1947.5 mg **

Proprietary Blend (Beige)

L-Arginine, L-Arginine Alpha-Ketoglutarate, Citrulline Malate, N-Acetyl-L-Carnitine Hydrochloride, L-Norvaline, Grape Seed Extract (*Vitis vinifera* L.), Grape Skin Extract (*Vitis vinifera* L.), ActiNOS™ CFM Nitro® P[§]

†Percent Daily Values (%DV) are based on a 2,000 calorie diet.

**Daily Values not established

Other Ingredients: Microcrystalline Cellulose, Stearic Acid, Hydroxypropyl Methylcellulose, Croscarmellose Sodium, Magnesium Stearate, Silicon Dioxide, Polyvinylpyrrolidone, Triacetin.

No: Eggs, Wheat, Gluten, Soy, Nuts, Tree Nuts, Fish, Shell Fish.

§ Contains milk ingredients

KEEP OUT OF THE REACH OF CHILDREN. STORE AT 59-86°F (15-30°C). PROTECT FROM LIGHT AND MOISTURE.

^Results verified in in-vitro lab testing.
