CARBALEAN is a cutting-edge carbohydrate formula yielding the body a perfect ratio of fast and slow release carbohydrates to replenish muscle energy (glycogen). Carbohydrates are the body's main source of energy during exercise. 75-85% of the body's carbohydrates stored in muscles (glycogen) are depleted after an hour of exercise. In order to prevent Catabolism (muscle breakdown), glycogen must be replenished immediately after exercise. CARBALEAN delivers the body the fast and slow absorbing carbohydrates it requires to maximize glycogen replenishment and return the body to an anabolic state. CARBALEAN is also fortified with BCAAs, Glutamine, Creatine, Beta Alanine, anti-oxidants, and electrolytes to further enhance lean muscle growth and nutrient replenishment. Don't waste another workout!

Suggested Use: Mix 1-2 Scoops with 30-40 grams of your favorite protein powder and desired amount of liquid immediately after workouts. Double sealed for your protection. Do not use if inner or outer seal is damaged or missing. To preserve quality and freshness keep bottle tightly closed, & store in a cool, dry place.

Warnings: KEEP OUT OF REACH OF CHILDREN. Always consult a physician prior to using any dietary supplement. Do not use if you have or are being treated for prostate hypertrophy or cancer, heart, liver, cardiovascular, kidney or thyroid disease, high blood pressure, low hdl, taking antidepressants, MAO inhibitors, prescription drugs or any over the counter prescription drugs containing ephedrine or pseudoephedrine. Do not exceed suggested serving. Do not use if pregnant or nursing. Protect from Heat, Light, and Moisture. Store at 15-30°C (59-86°F) Do not use if seal is broken. Keep out of the reach of children.
