

Each Flexezy®-ER† caplet is made to slowly release glucosamine and chondroitin over a 12 hour period.

DIRECTIONS: Take two caplets in the morning and two caplets in the evening or as directed by your healthcare provider until results are acheived. Thereafter, you may continue the above serving or decrease to one caplet in the morning and one in the evening. Caplets may be taken with or without food.

CAUTION: For adults only. Consult your physician prior to using this product if you are pregnant, nursing or have any pre-existing conditions.

- Keep out of the reach of children
- Store in a cool, dry place
- Do not use if seal is broken
